LOST PASSPORT EMERGENCY PROTOCOL

Losing a passport can be highly stressful, but Indian missions are fully equipped to guide you out. The Indian Mission can issue an **Emergency Certificate (EC)** ensuring valid, immediate one-way travel back to India.

Step 1: Stay Calm — A lost travel document does not mean you are stranded indefinitely. Emergency protocols are firmly in place.

Step 2: Report immediately to Local Police — Visit the nearest police station to obtain an official **Police Report / Missing Property Report**. Ensure it is explicitly stamped, signed, and preserve duplicate copies.

Step 3: Establish Jurisdictional Contact

- **Northern Regions** (Hanoi, Ha Long Bay, Ninh Binh, Sapa): Contact the **Embassy of India, Hanoi**.
- **Southern & Central Regions** (Ho Chi Minh City, Da Nang, Phu Quoc, Nha Trang, Mui Ne): Contact the **Consulate General of India, Ho Chi Minh City**.

Step 4: Gather Core Supporting Documentation — Assemble copies of Passport, Visa, Flight tickets, Hotel confirmations, Passport photos, and Identity cards (Aadhaar/PAN/Driving License). **Note: Reach out immediately even if some items are missing.*

Step 5: Apply for an Emergency Certificate (EC) — This acts as a verified temporary one-way document to authorize return travel.

PASSPORT STOLEN

- Immediately report the theft incident to the nearest local police post.
- Secure the authorized written police log statement.
- Contact your respective Indian Mission registry right away.
- Alert travel insurance providers and freeze active debit/credit cards.

PASSPORT DAMAGED OR EXPIRED

- **Damaged** (Torn, water logged, burnt, or missing pages): **DO NOT ATTEMPT TO TRAVEL**. Connect with the Embassy/Consulate immediately for emergency replacement processing.
- **Expired**: Reach out to the nearest mission for structured renewal or immediate travel re-issuance permissions.

⚖️ LEGAL, MEDICAL & SAFETY PROTOCOLS

⚖️ ARREST OR DETENTION EMERGENCY

Indian nationals have the clear legal right to request consular access.

Protocol Statement: "Please inform the Indian Embassy immediately."

- ❌ Do not resist arrest or display aggression.
- ❌ Do not offer bribes under any circumstance.
- ❌ Do not sign any document you do not fully comprehend.

Mission Scope: Can notify next of kin, render a qualified local lawyer list, conduct consular safety checks, and liaise with authorities.

🏥 CRITICAL MEDICAL SITUATIONS

If admitted due to hospitalization or serious illness:

- Alert your comprehensive travel insurance provider.
- Notify **VIETANA** operational support immediately.
- Keep close family members informed.
- Contact the Indian Mission if formal local mediation or family coordination is needed.

For Serious Road/Major Accidents: Dial **115** for immediate ambulance transport, track down policy details, and contact VIETANA.

💀 DEATH OF AN INDIAN NATIONAL

In highly unfortunate events, the Indian Mission strictly steps in to facilitate:

- Official next-of-kin notification in India.
- Cross-border death registration processing.
- Coordination for repatriation of mortal remains.
- Liaisons with insurers and Vietnamese authorities.

👤 GENERAL TRAVEL EMERGENCIES

- **Missing Persons:** Instantly notify Civil Police (113), inform VIETANA, and update the Indian Mission with comprehensive tracking details.
- **Financial Loss:** Missions do not extend cash relief but will help contact family to arrange secure wiring.
- **Natural Disasters:** Missions issue tracking advisories and synchronize relief pathways with local systems.
